COMMENTS:

Dear Sirs:

Attached please find an Abstract in U.S. patent application serial no. 10/566,820. This application is in condition for allowance except that the current Abstract was deemed too long for publication. The attached Abstract has been reduced in size without altering the subject matter therein. The Examiner of this patent application, Noble E. Jarrell, asked that I, as agent for the Applicants (and having registration # 51,813), send the revised Abstract to you to facilitate publication.

Please contact me (phone number and e-mail address provided above) if you have any questions or need anything further. Thank you.
